(702-642-7070  
[www.boystown.org](http://www.boystown.org)

Right now, in communities throughout the country, hundreds of thousands of children are living in fear, seeking guidance and in desperate need of compassion. Powerful forces are also at work tearing at the fabric of our families. Wherever these children and families are hurting, Boys Town is helping. With the support of our generous donors, we're reuniting kids with their families,

finding foster homes for others, providing a Boys Town family for those with nowhere else to turn, and still others are receiving help at home where they can remain together as families.

"Bridge Counseling Associates is an outpatient treatment agency that provides services to individuals, couples and families. Our agency has been serving the Las Vegas community for over 30 years, offering mental health and substance abuse counseling to those who may be self-referred or court mandated to receive treatment. Today, our agency offers individual and family sessions, in addition to process groups, and has multiple functioning programs including: Adolescents, Felony DUI Court, DUI Moderate Offender, Bureau of Prisons, U.S. Probation, and Families in Transition. We pride ourselves in offering services from dually licensed staff therapists, many of whom are bilingual in English and Spanish. Furthermore, Bridge Counseling offers opportunities for student internship and new therapist interns to receive direct supervision and clinical experience. As an agency, we not only take an active role in our clients' treatment process, but also actively engage in case management by attending court and community team meetings to ensure highest quality of care."

Families that experience high conflict within the Family Court, specifically in regard to custodial matters, are often ordered by the Judge to participate in Parent Coordination Services. This entails enlisting the services of a professional within the community, with a Master's degree or higher, to have the conflicts resolved by that third party. As an extension of the Courts, these Parent Coordinators are able to work with both parents and ultimately make binding decisions regarding all parenting matters aside from custody modification. This saves the litigants resources, and helps to alleviate the congested court calendars

shelter, counseling, advocacy and prevention. Goal is to assist families from crisis to healing, while empowering victims toward self-sufficiency in violence-free lives. SafeNest provides services for victims, batterers and their children.
