Dear Brandi:

On behalf of the nearly 100,000 hungry men, women and children we serve each month in Southern Nevada, I would like to thank you for raising a total of \$1,665.00 during your recent fundraiser. Our mission to "provide wholesome food to hungry people, while passionately pursuing a hunger-free community" would not be possible without generous donations from individuals like you.

These 100,000 food-insecure Southern Nevadans include 45,000 children and 16,000 seniors who receive food through our network of more than 600 Program Partners, consisting of non-profit and faith-based organizations, schools and feeding sites. We are also working with over 275 school partners to provide approximately 9,000 of our community's most food-fragile school children with emergency food assistance over the weekends, after school, and during summer vacations.

The work being done at Three Square Food Bank is not easy. The number of people who need food on a daily basis continues to grow. However, when we receive support from wonderful community leaders like you, we feel that, together, we can make great strides with our work to end hunger.

Sincerely,

Brian Burton  
President & CEO

*This makes my day! Thanks Brandi.*
